

English Listening and Speaking (1)

Abstract	<p>This is an intermediate level English Listening and Speaking course designed, based on college-level topics and skills, to enhance students' listening and speaking ability. Students will be trained to develop the listening and speaking skills (e.g. note-taking, using context clues, asking for and giving clarification) they need to feel confident in familiar situations. They should be able to handle the basic communication in everyday situations. A range of topics/ tasks in the main textbook along with supplementary authentic materials will be used. Students' presentations and contributions to discussion and group activities during teaching sessions will be important, as they are part of assessment requirements.</p>
Goal	<p>To successfully complete this course, students should demonstrate the ability to understand and convey in simple English in everyday situations.</p>
Method	<p>Lectures, video and film clips watching, and class activities.</p>
Requirement	<p>Students are required</p> <ol style="list-style-type: none">1. to do in-class/take-home assignments.2. to take midterm exam and final examination .3. to provide written explanation or official documentation for excused absence.4. to log on to E-Learning on a regular basis for class materials and announcements.
